## **INTRODUCTION**

### **WHAT ARE THE BENEFITS OF MEMBERSHIP?**

Phi Theta Kappa International Honor Society offers scholastic recognition, scholarships, leadership development, travel opportunities, organizational skills, team building, networking, campus involvement, personal growth, communication skills, and critical thinking

### **HOW DOES A LANE STUDENT BECOME A MEMBER OF SIGMA ZETA CHAPTER?**

1. Be a (credit degree program) registered student at LCC and have at least 12 fulltime credits (or 18 Part Time Credits) with a cumulative GPA of **3.25** or higher.
2. Fill out an application or accept an online invitation (link) to apply.
3. Paper Applications: Solicit signatures from two faculty members (generally instructors that are aware of your commitment to academic excellence).
4. Add the CRN to your LCC “MyLane” registration. This triggers the charge to your Lane student account. If you have a charge on your account at the end of the eighth week of the current term, the classes you signed up for next term will be in jeopardy. The computer will drop you from those early registration classes.
  - If you are a Financial Aid student you have two options:
    - Add the CRN during the first week of the term, before the disbursement so that it will be paid with your tuition and fees, or
    - Add the following term’s CRN with your classes, but be aware this number is not available until near the end of the current term.
5. Give your application to the faculty advisor or one of the executive officers in the office. The advisor will verify you have paid your membership dues.
6. You will receive an Email when your application has been processed.
7. Soon after membership processing, the international headquarters webmaster will send you a prompt to access membership benefits through the [www.ptk.org](http://www.ptk.org) and [www.collegefish.org](http://www.collegefish.org) Web sites.

### **I AM A MEMBER, NOW WHAT?**

- Expect to receive your golden key pin and certificate of membership in the mail at the address you provided on your application. Keep your contact information current on the official Web sites ([www.ptk.org](http://www.ptk.org) and [www.collegefish.org](http://www.collegefish.org)). Scholarship availability information and (transfer) college applications will be coming to those addresses (Web and physical).
- Come to a meeting, check out our newsletter, or stop by the chapter office.

## **IS AN INDUCTION CEREMONY REQUIRED BEFORE YOU ATTEND A MEETING?**

No. We can always use a hand with our next project or event. After you have received your email from the advisor stating that your membership has been processed, you are welcome to seek out a mentor among the membership to help acquaint you with our programs and activities. You can attend an induction in spring or fall. Orientations are conducted each term, see calendar for dates.

## **WHAT EXACTLY IS THE INDUCTION CEREMONY?**

The Induction is a chance for the chapter to welcome you into the group. The new recruits sign the book that was started in 1968, following in the footsteps of many scholars. You will be asked to swear to an honor code and the group will engage in some fellowship before calling a general meeting to order. The meeting after the induction is optional.

## **DESCRIBE THE NEW MEMBER ORIENTATION**

A new member Orientation is a gathering of current officers, chapter alumni, new members, current members, and prospective members. A panel of officers will deliver a presentation describing the programs and projects the chapter is working on right now. The new members will be given an opportunity to ask questions, have discussion, and join in fellowship with Sigma Zeta. Food or refreshments will (usually) be provided.

## **CAN I, AS A NEW MEMBER, ATTEND ALL MEETINGS?**

- General meetings are open to all members of the chapter, current or alumni.
- Service events and Fellowship Potlucks are open to family and friends of the attending members as well.
- Executive meetings are working sessions that are usually open to the elected executive team, advisor, and the appointed active team leaders.

## **WHAT HAPPENS AT THE MEETINGS?**

We debrief previous events and plan upcoming projects at each general meeting. If you have ideas, we are always excited to hear them. If you want to become involved in current activities, please come to our weekly meetings. At the Executive Meetings, we discuss our progress on specific project committees and plan the next move(s).

## **WHAT DOES PHI THETA KAPPA DO?**

*“The purpose of Phi Theta Kappa shall be to recognize and encourage scholarship among two-year college students. To achieve this purpose, Phi Theta Kappa shall provide opportunity for the development of leadership and*

*service, for an intellectual climate for exchange of ideas and ideals, for lively fellowship for scholars, and for stimulation of interest in continuing academic excellence.”*

Phi Theta Kappa members participate in Honors in Action projects, Scholarship endeavors, Academic research, Leadership training, Service learning, Teambuilding and Fellowship activities.

### **WHAT SPECIFIC ACTIVITIES CAN I BECOME INVOLVED IN AS A MEMBER?**

The chapter maintains a Webpage that includes a calendar of events. Please visit us at [www.lanecc.edu/ptk](http://www.lanecc.edu/ptk) to get the latest updates, we also post service and fellowship events on our Facebook. Visit us at the Sigma Zeta [Chapter Facebook page](#).

## **HONORS PROGRAM**

### **WHAT IS THE HONORS STUDY TOPIC?**

Phi Theta Kappa's major academic component is the Honors Program. Chapter events, research, and projects are centered on the current study topic. The Honors Study Topic is an interdisciplinary topic, chosen every two years. A Program Guide is created to outline the topic and the components (10 issues) to choose from and explore. The program guide is designed to meet the needs of two-year institutions and their diverse communities. It is always timely, international in scope, issue-oriented, appropriate for interdisciplinary study. It is amenable to study on even small college campuses with limited library and research facilities. More information is available online at [http://www.ptk.org/sites/default/files/docs/honors/2012\\_honors\\_program\\_guide.pdf](http://www.ptk.org/sites/default/files/docs/honors/2012_honors_program_guide.pdf).

### **NOTA BENE ANTHOLOGY**

*Nota Bene* is a published collection of research and creative writing that showcases the literary talents of members and recognizes top entries with scholarship awards. (See the next section, "Scholarship" for more on the scholarship programs.)

### **COMPETITIVE EDGE**

The long-awaited Five-Star Competitive Edge program was unveiled in December 2009. This program is similar to the Five-Star Chapter Development program in that it allows a member to set individual goals and work towards them; goals may be from the first to fifth level. The program is not competitive with other members, and it allows members to develop skills so they will be competitive for scholarships and within the job market.

The Competitive Edge program is an individualized professional development plan to improve a member's communication, teamwork, planning, and research skills. The website may be accessed using the same username and password as the CollegeFish.org site, (advisors may use their PAM login). [Moodle is the main site that this program us using, with videos]

At the website, members will find instructional videos and hands-on activities. Members may complete activities at their own pace and keep track of their progress online. Written assignments may also be posted to an online portfolio. Letters of recommendation may also be included within the portfolio. Members may share their portfolios with chapter advisors, college admissions officials, potential employers, and others. <http://ce-web.ptk.org/edge/>.

## **HONORS SEMINARS**

A series of interactive seminars, these DVDs are sponsored by Phi Theta Kappa and the National Collegiate Honors Council. Topics are related to the Honors Study Topic. The Seminars create new educational opportunities for participating colleges, such as recruiting exceptional high school students, providing continuing education opportunities for community members, and augmenting your existing honors program.

## **HONORS CASE STUDY CHALLENGE**

The honors program allows members to implement the Honors Study Topic and enhance their learning experience using newspapers. Participants select 4-5 USA Today articles focusing on an aspect of the current Honors Study Topic, then develop a topic summary and discussion questions, suggest additional resources, and give a brief perspective of future implications of the topic. The All-USA Team members are chosen from the best of the submissions to this component.

## **SCHOLARSHIP PROGRAMS**

### **(SENIOR INSTITUTION) PHI THETA KAPPA TRANSFER SCHOLARSHIPS**

Phi Theta Kappa expends much time and effort on its program to secure scholarships for members planning to transfer to senior institutions. More than 700 colleges and four-year universities in the United States and Canada offer more than \$37 million in transfer scholarships to Phi Theta Kappa members.

## **ALL-USA ACADEMIC TEAM SCHOLARSHIPS**

The All-USA Academic Team program annually recognizes 60 outstanding two-year college students. First, Second, and Third Teams, each consisting of 20 members, are selected. The 20 First Team members receive scholarship awards of \$2,500 each. All 60 members of the All-USA Academic Team and their colleges receive extensive national recognition through coverage in USA Today. Selection is based on nominations submitted by community college presidents or campus CEO's who receive nomination materials in the fall. Phi Theta Kappa, USA Today, and the American Association of Community Colleges sponsor the All-USA Academic Team program annually. To be eligible, a student must attain a minimum 3.25 cumulative GPA and be eligible to graduate with an associate's degree in the academic year nominated.

## **ALL-STATE ACADEMIC TEAMS**

There are programs in 34 states that recognize their All-USA team nominees through recognition programs, awards and scholarship opportunities. These members are chosen from the best performers in the USA Today Case Study Challenge.

## **FRANK LANZA MEMORIAL SCHOLARSHIP**

For students enrolled in registered nursing, respiratory care or emergency medical services associate degree programs. Applicants must have completed 50% of their course work leading towards achieving an associate degree (Certificate students are not eligible to apply.)

## **COCA-COLA SCHOLARSHIPS**

Approximately 400 scholarships of \$1,000 each are available to community college students to continue associate degree studies while still attending their two year program.

## **GUISTWHITE SCHOLARSHIPS**

Scholarship awards totaling \$100,000 annually are presented to Phi Theta Kappa members through the Guistwhite Scholarship Program. The awards are named in honor of Dr. Jack Guistwhite and his wife, Margaret. Dr. Guistwhite developed the first transfer scholarship designed exclusively for Phi Theta Kappa members. Twenty qualifying students will receive scholarships of \$5,000 each for completion of baccalaureate degrees. To be eligible, a student must attain a minimum of 3.5 cumulative GPA and must graduate with an associate's degree during the academic year of application. (More information online at [www.ptk.org](http://www.ptk.org))

## **JACK KENT COOKE UNDERGRADUATE TRANSFER SCHOLARSHIP**

Approximately 25 scholarships ranging as high as \$30,000 are awarded to community college graduates for baccalaureate studies.

## **LEADERS OF PROMISE SCHOLARSHIP**

A total of 30 scholarships of \$1,000 each are awarded based on applications submitted by members. To be eligible, a student must be a member of Phi Theta Kappa in good standing and currently enrolled in an associate degree program, with a cumulative GPA of 3.5 on all associate degree work. Students who have completed more than 36 semester hours (54 quarter hours) of course work and students already holding degrees from community colleges or senior institutions are not eligible.

## **GEICO LEADERS OF PROMISE BUSINESS STUDENT SCHOLARSHIP**

Geico's "Leaders of Promise" business student scholarship is the Society's first scholarship program available to members to be used during the time they are enrolled in their community colleges. The top business students that apply to the Leaders of Promise scholarship will be considered for the Geico scholarship.

## **NEW CENTURY SCHOLARS**

The highest-scoring All-USA Academic Team nominees in each state are named New Century Scholars and each receive \$2,000 scholarships.

## **HITES TRANSFER SCHOLARSHIP**

Up to five scholarships of \$7,500 will be awarded based on applications submitted by members. To be eligible to apply, a student must be a member of Phi Theta Kappa in good standing and intend to transfer to a senior institution in the fall.

- Students must post a minimum of a 3.50 cumulative grade point average out of a possible 4.0 on all college-level coursework in the past five years (include all transcripts, Fall 2004-present). GPA is evaluated at the time of application, and no courses can be marked as incomplete. Hites scholarship recipients must maintain a minimum of a 3.0 GPA while attending the senior institution in order to receive remaining disbursements.
- Students must have completed a minimum of 50 semester credits (or its equivalent) at the time of transfer to a senior institution. These credits must be college-level credits and cannot include remedial or developmental coursework (courses designed to enable learners to remedy a lack of knowledge or correct a skill deficiency; e.g. MTH 099 – Pre Algebra).

## **NATIONAL DEAN'S LIST**

Phi Theta Kappa is the only two-year college honor society whose members are automatically nominated for inclusion in this prestigious publication of outstanding students in two-year, four-year, and graduate degree programs. Phi Theta Kappa members who submit biographical data forms to the National Dean's List become eligible for one of 50 scholarships of \$250 each. National Dean's List Scholarship recipients are selected at random from among only those who return biographical information to the National Dean's List. Biographical forms are automatically mailed in June of each year to members inducted in the last 12 months.

## **LEADERSHIP TRAINING OPPORTUNITIES & PROGRAMS**

### **INTERNATIONAL CONVENTION**

*"Phi Theta Kappa's Annual Convention is a three-day conference filled with events that energize, educate and recognize members, advisors and alumni. Convention attendees benefit from access to globally-recognized speakers, workshops and the exchange of ideas among thousands of members from a diverse mix of community colleges. Chapters elect future Society leaders and receive recognition for their outstanding accomplishments. Attending the Annual Convention is an experience sure to equip attendees with tools and knowledge for future success." [\*ptk.org]*

### **INTERNATIONAL OFFICER POSITIONS**

*"An International President and four International Vice Presidents are elected annually to serve in the pinnacle of student leadership positions in Phi Theta Kappa."\**

### **INTERNATIONAL HONORS IN ACTION ACADEMY**

*"Honors in Action training sessions promote opportunities for chapters and members to conduct research and employ leadership skills to make a difference through service"\**

### **REGIONAL OFFICER POSITIONS**

The Executive Board consists of the Regional Coordinator, Regional President, Regional Vice President, and the 4 District Executives; Northern, Southern, Western & Eastern. Visit the regional web page at <http://www.rmcpk.org/> to learn more.

## **REGIONAL LEADERSHIP CONFERENCES AND WORKSHOPS**

Your region is super active and coming to a campus (very) near you! The Blitz is on and the regional officers are ready to come to your campus and assist with your C4 Commit to Community College Completion Signing Day!!! Each Summer we come together for a Toolbox training and each fall the region offers an Honors in Action Conference. Visit the Rocky Mountain Cascade Region's web page at <http://www.rmcpk.org/> and their facebook page at <https://www.facebook.com/groups/75667814169/> for more events.

## **HONORS INSTITUTE**

Training opportunities and speakers from all over the nation will gather at a host campus to focus on the Honors Study Topic. This event is conducted every summer.

## **LEADERSHIP DEVELOPMENT STUDIES (WORKSHOPS)**

*"Phi Theta Kappa offers an innovative humanities-based leadership development program that is currently taught at more than 400 community and senior colleges in the United States and Canada." [\*ptk.org]* Here at Sigma Zeta Chapter, we offer students peer-led and advisor-led workshops to help build skills and hone your competitive edge.

## **CHAPTER EVENT PLANNING AND COORDINATION**

Chapter Officers and Active Team Leaders collaborate in the planning and organization of projects and events through the academic year. Inquire at the chapter office.

## **CIVIC ENGAGEMENT PROGRAMS**

### **THE ENGAGED HONOR SOCIETY**

The civic engagement initiative of Phi Theta Kappa International Honor Society is not a program, as chapters are not required to enroll or participate in particular events. Rather, it is a way of framing Phi Theta Kappa's programs—an umbrella under which many Phi Theta Kappa programs fall. Civic Engagement-related programs include: Operation Green in partnership with Keep America Beautiful, Community College Readership Program, Voice Your Vote, and Case Study Challenge. Some local programming includes:

- 30<sup>th</sup> Avenue Adopt-A-Road service events 3 times per year
- Semi-annual SOLV Riverside Clean-up @ Fall Creek Park
- Welcome Week new student outreach opportunities

## **COMMUNITY COLLEGE READERSHIP PROGRAM**

This program promotes civic engagement and broadened awareness of current issues among two-year college students through newspaper (USA Today) readership. A 30% academic discount on daily delivery of newspapers is given to participating colleges.

(More online at <http://www.usatodayeducate.com/staging/index.php/readership>)

## **INTERNATIONAL SERVICE PROGRAM**

Phi Theta Kappa collaborates with national or international organizations to engage students in service learning activities related to the society's Honors Study Topic. This particular chapter is involved in Adopt-A-Road clean-ups each term, semi-annual SOLV Riverside Clean-ups at Fall Creek Park, and local campus beautification (the planting of bulbs in the fall term at the college).

## **CHAPTER DEVELOPMENT & RECOGNITION PROGRAMS**

### **HALLMARK AWARDS PROGRAM**

Phi Theta Kappa's largest recognition program awards regions, chapters, advisors, officers, officer teams, members, and college administrators who promote the Phi Theta Kappa Hallmarks. Awards are presented based on excellence in projects and activities. All awards have set criteria, which must be met in order to be eligible to win.

Participation offers tremendous learning opportunities for members and the opportunity for chapters and individuals to be showcased at the International Convention for their outstanding activities.

### **WHAT ARE "THE HALLMARKS?"**

Phi Theta Kappa has four hallmarks; Scholarship, Leadership, Service, and Fellowship. Chapters try to develop projects and events that have aspects from more than one area.

1. Scholarship – Phi Theta Kappa's purpose is first and foremost to recognize scholarship achievement among two-year college students. Programs primarily focus on educating chapter members, other chapters, the college's student body, and the community about the Honors Study Topic. The chapter leadership is always looking to recognize the academic achievements of members, students, and faculty.
2. Leadership – We encourage chapters and members to assume leadership roles within the chapter, the college, your community, as well as at the regional and

international levels of the Society. Fostering the development of leadership skills (among others) our officers are involved in the following:

- a. International Officers – an International President and four international Vice Presidents are elected annually to serve in the pinnacle of student leadership positions in Phi Theta Kappa.
  - b. Leadership Development Studies – Phi Theta Kappa’s innovative humanities based leadership development program.
  - c. Regional Leadership Conferences – Annual meetings in each of the Society’s 29 regions provide opportunities for leadership development through skills exercises and teambuilding activities.
  - d. Since January of 2006, Sigma Zeta has offered free leadership workshops for Lane faculty, staff, and students. Topics have included Introduction to Myers-Briggs Personality Indicator, Dealing with Difficult People, Emotional Intelligence, Social Networking for Business, Preparing Professional Newsletters, Business Etiquette, and Social Intelligence.
3. Service – The chapters are strongly encouraged to develop service projects that incorporate more than one hallmark. Get creative with your volunteers. Ask for suggestions and feedback. We are looking for a team atmosphere; asking how the members feel about issues is one way of empowering students. Phi Theta Kappa no longer focuses on a single service program. Projects can focus on anything that serves your members, your fellow students, the local community, the region, or reach people on an international level. This area is where we need to get off campus once in a while.
4. Fellowship – Phi Theta Kappa is truly a fellowship of scholars. As such, the hallmark of fellowship is an intrinsic part of all Society programs. Sigma Zeta Chapter is committed to promoting development among inactive chapters, facilitating communication between chapters, and offering a balance of social and scholarly events. A comprehensive fellowship program is one that balances activities focused on “pure fun” social events with the chapter’s members, college, community and chapters within the region. Historically, we used a central service focus. Now we are free to use our innovation, the minds of the young up-and-coming student leaders, and those students who are returning to train for a new career – to seek common ground and build a new service commitment. This area of development is open to collaboration with other chapters in the Rocky Mountain Cascade Region of Phi Theta Kappa.

## **FIVE STAR CHAPTER DEVELOPMENT PROGRAM**

This non-competitive program provides chapters with a step-by-step guide to optimize their benefits and programs offered by Phi Theta Kappa. The program offers something for every level of participation. Chapters set their goal level (one through five) and work

towards that level's outlined requirements. Sigma Zeta Chapter has set a goal to be level five for the upcoming academic year.

### **PINNACLE SCHOLARSHIP AWARD PROGRAM**

The Pinnacle Scholarship rewards chapters and regions for increasing induction numbers by 5% over previous calendar year, or for inducting at least 90% or more of all eligible students. Chapters that reach their goal are awarded a \$45 scholarship; regions are awarded a \$500 scholarship. A chapter may receive up to five Pinnacle Scholarships for fees at International.

### **ENHANCED MEMBER PROGRAM**

Members who elect to actively participate in chapter programs and activities are recognized for their contributions. Sigma Zeta has taken this item under consideration for review. Details of the new program will be discussed in the Orientation presentation. In general: if you take a position and maintain that responsibility all year, the chapter will provide you with a portion of your regalia for graduation.

### **NOTA BENE**

Latin for "note well," Phi Theta Kappa's honors anthology recognizes outstanding writing of Phi Theta Kappa members and demonstrates to the literary public the academic excellence and commitment to scholarship found at two-year colleges. Only Phi Theta Kappa members may submit manuscripts, and manuscripts should be submitted while a member is enrolled in an associate degree program. Qualitative and quantitative research papers, poetry, short stories, essays, and drama are accepted for consideration.

## **SIGMA ZETA CHAPTER OFFICER DUTIES**

### ALL OFFICERS SHALL:

- Staff the office hours per week
- Attend all meetings or notify the President & Vice President of any absence by email and attach a digital report with the notice to be included in the minutes
- Attend scheduled chapter events if at all possible
- Abide by the *Chapter Code of Ethics*

### PRESIDENT

- Preside over all business meetings
- Appoint and establish any necessary committees
- Vote only in case of a tie
- Serve as an ex-officio member on all committees
- Present business to the organization
- Represent the organization at all times
- Appoint a committee to review and/or revise the chapter bylaws annually
- Appoint a committee to prepare the Annual Report to be sent to headquarters in spring

### VICE PRESIDENT

- Perform all duties of the president in the event of his or her absence
- Take roll at the meetings if the Secretary is absent
- Head the committee reviewing the chapter bylaws and the annual report
- Become president in the event the president cannot complete his or her term
- Coordinate activities related to the Honors Study Topic
- Coordinate documentation and other records of Hallmark activities
- Coordinate all committees and head the event planning of the chapter
- Act as liaison to the Regional Officers

### TREASURER

- Conduct regular Bookkeeping for all Chapter accounts
- Control and Account for the chapter petty cash fund
- Be present at all fundraisers and follow ethical money handling procedures
- Provide a verbal 'club account' and 'cash' balance at every meeting + distribute a monthly hardcopy financial/inventory report
- Take great care to adhere to Lane COPPS policies and report any issues to both the president and the advisor

- Resource Management - Keep Inventory, coordinate with Chapter President for sponsor 'ask' when necessary

#### EXTERNAL COMMUNICATION OFFICER

- Take a primary role in public or published chapter documents: responsible for producing professional event reports, research conclusion papers, forms, and Hallmark recognitions submissions
- Coordinate Regular Chapter Communications (phone messages, memos, and email as directed by president)
- Produce a Chapter Newsletter (monthly membership circular that showcases current events, upcoming and recent projects, and chapter contact information)
- Be responsible for all external Communications: Webpage, Social Netorking, Torch Articles, News Releases, Media Advisory, etc.
- Coordinate with the Recording Secretary for the annual Yearbook

#### INTERNAL COMMUNICATIONS OFFICER

- Take roll and record minutes at all general and executive meetings
- Compile an ongoing binder of agendas, sign-in sheets, and meeting minutes for institutional knowledge (flyers and copies of published articles should be placed into record as well)
- Record data numbers for the chapter at each and every event (count people, take pictures, gather surveys)
- Coordinate with the (External) Communications Officer for the annual Yearbook
- Assist the officer core to write the essays for Hallmark and Regional recognitions

---

#### SIGMA ZETA CHAPTER FACULTY ADVISOR SHALL:

- Be responsible for overseeing the completion and submission of member names and fees as well as the Chapter Annual Report to Headquarters. The advisor shall be officially appointed by the college administration and shall be a non-voting member of the chapter.
- Have final approval with regard to all campus policies and procedures as they relate to Sigma Zeta Chapter

---
