Message from the Director of Public Safety

Welcome to Lane Community College.

At Lane Community College, we are a community of students, staff members, faculty, and campus visitors dedicated to the college's mission to provide quality, comprehensive, accessible, **inclusive**, learning-centered educational opportunities that promote **equitable** student success.

In order to make that mission successful, we work together to make our community safe through education, prevention, and response services and programs. We serve our students, and our students' success and safety *are* our priority.

The 2023 Annual Security and Fire Safety Report includes information about the college's resources available to the campus community. As you work to protect yourself and your fellow Titans, as well as maintain a safe, secure learning environment, I encourage you to ask questions and share ideas with the LCC Public Safety Department staff, or any of the other departments listed in the report.

Safety is a shared responsibility at LCC. Our Public Safety Professionals partner with the campus community to educate students, staff, faculty and visitors on how to work together to support one another, share information, and be active bystanders.

The incidents of hate and racism effectuated on our communities have no place here at Lane. As your Public Safety Director, I am dedicated to ensuring that all contacts officers make with individuals on campus are fair and equitable and that each and every member of the Public Safety Department share the same vision and mission at our organization.

We hope all students, employees, families, community members, alumni and all other stakeholders will share with us their needs, concerns, ideas, and commitments to Lane Community College.

Sincerely,

Lisa M. Rupp, Director of Public Safety & Emergency Preparedness
Lane Community College

Confidential Reporting to Counselors

Students and staff may report crimes to Counseling staff employed by the College's Counseling Department. Counselors will keep information reported to them by a client confidential in accordance with Oregon law. Students and staff are welcome to ask for clarification of the confidentiality guidelines if they have concerns. Counselors are encouraged to provide LCC Public Safety with non-identifying summary information of any criminal activity on college property. This anonymous reporting will allow the LCC Public Safety Department to address campus safety issues and to include the reported crime in its Annual Crime Statistics report. Reporting a crime also allows LCC Public Safety to provide timely warning notices to the College community when appropriate.

Accurate and Prompt Crime Reporting (<http://www.lanec.edu/copps/documents/crime-reporting>). Community members, students, faculty, staff and guests are

encouraged to report all crimes, public safety and security related incidents to the LCC Public Safety Office in a timely manner.

LCC Public Safety will investigate a report when it is deemed appropriate, and may forward reports involving students to the Associate Dean of Students Affairs for review and potential action.

If assistance is required from other agencies, LCC Public Safety will contact the appropriate unit. If a sexual assault should occur, staff on the scene, including LCC Public Safety, will offer the victim a wide variety of services. The LCC Public Safety Office has access to sexual assault support services available to assist a victim 24 hours a day.

Crimes should be reported to LCC Public Safety to ensure inclusion in the annual crime statistics and to aid in providing timely warning notices to the community, when appropriate.

Confidentiality of Crime Reports. When a criminal incident is reported to the Main

Campus Public Safety Department (that occurred or is occurring on Lane Community College property or at Lane Community College sponsored events) LCC Public Safety will investigate and will share the information with law enforcement partners in the appropriate jurisdiction law enforcement. Victims or witnesses may report crimes on a voluntary or confidential basis to the Associate Dean of Academic and Student Affairs at (541) 463-5746, the Women's Center (541) 463-5353; the Counseling Center (541) 463-5322 or the Human Resources Department at (541) 463-5211. Information reported to these sources will be included in the annual campus crime data and will be used to assess and modify safety measures on campus, including timely warnings. However, no formal police investigation or LCC Public Safety incident report will be generated, if the victim wishes the information to remain confidential.

Timely Warnings. In the event that a situation arises, either on or near campus, that, in the judgment of the Director of Emergency Preparedness, the LCC Chief Public Safety Officer, or members of the Emergency Preparedness Team constitutes an ongoing or potential threat to members of the campus community, a campus wide "timely warning" will be issued. The timeliness of the warning depends on the urgency of the circumstances.

Most emergency communications to the campus are verified by two members of the Emergency Planning Team, the Chief Public Safety Officer or designate, before being communicated. Verification includes a review of the available information, potential threat to the community, and the decision for employment of communication channels.

When an immediate warning is needed, the College has broadcast capabilities for every building on its main campus. This system also includes an external publication address system for persons outside of buildings on the main campus. Notification of an immediate, urgent threat of harm to the campus community will be done using the broadcast system. The College also has the capability to send immediate email and text messages to students and staff within minutes.

When LCC Public Safety becomes aware of any less-immediate threat to campus safety and/or security, bulletins (known as Lane Crime Alerts) are sent by e-mail, and up-to-date information may be posted at www.lanec.edu. Local media outlets, including the Torch, an independent student newspaper circulated widely on the LCC campus, and local television and radio stations may be employed to further disseminate information in and around the campus area. Additionally, The Lane Weekly, an online staff newsletter, is used to notify LCC staff of public safety information.

The Chief Public Safety Officer or designate will communicate Lane Crime Alerts to the community and determine and use the communication channels appropriate to the emergency.

Notifications include specific information about time, location, the nature of the threat and, when available, a general physical description of the suspect or suspects. In compliance with the provisions of the Clery Act, the decision to issue a timely warning will be made considering a number of factors, including the possible risk of compromising: law enforcement

efforts, victim assistance, emergency response efforts, or otherwise prevent efforts to mitigate the emergency.

Notices may also be posted around the campus as needed. LCC Public Safety Officers and other college officials take these steps when students, faculty and staff members need to take steps necessary to protect their safety.

In all emergent cases representatives of the Emergency Preparedness Team will determine which community members are at risk, the most effective communication methods, the content of the messages/broadcasts/publications, and the duration of such notifications. Such broadcasts will be issued without delay

Persons Authorized to Transmit Timely Warnings and Other Emergency Messages to Lane Community College:

- All Members of the Emergency Planning Team including:
- Chief Public Safety Officer or her/his designates
- Director of Emergency Preparedness
- Vice-President of College Finance & Operations
- Chief Human Resources Officer
- Government Relations
- Director of Public Affairs
- Public Information Officer or his/her designates
- Director of Facilities, Planning, and Management or her/his designates
- Satellite Campus Deans
- Cyber Security/Infrastructure Manager
- Health Clinic Director
- Assistant to the Vice-President for College Services

and as quickly as possible and will be issued with consideration to the safety of community members.

The message will be edited and reviewed by team members. Generally, team members evaluate the threat to community members, the most important elements for communication, and then compose and quickly review communications. In cases involving campus emergencies where the threat has been observed or dangerous conditions exist, the Chief Public Safety officer or designate will also initiate emergency broadcasts with contemporaneous notification to Emergency Preparedness Team members.

Procedures to Test Emergency Notification Systems. All alert notification systems under the control of Lane Community College are tested frequently. Testing consists of allowing system users to practice skills, mechanical verification of technologies, “test” broadcast messages, and system utilization during planned drills and exercises.

Examples of testing procedures include:
 Quarterly testing of the building and external mass notification system
 Annual systems testing and evaluation during the Earthquake Drill
 Quarterly additional campus building testing during mandatory fire drills
 Regular practice use and testing by members of the Emergency Planning Team during team meetings
 Test exercise messages to the Campus Community Emergency Response Team, HAZMAT Team, and Public Safety Officers

In each of these cases, tests and exercises are evaluated, documented, and lessons learned are used to improve system integrity.

Daily Crime Log. The Daily Crime Log is a record of all crimes reported to LCC Public Safety. It is available for review in the LCC Public Safety Office, building 12, 2nd Floor, at all hours the office is open. The Daily Crime Log includes crimes reported to LCC Public Safety at all LCC controlled locations including the Main Campus (30th Ave), Downtown Campus, Florence Center, Cottage Grove Center, and LCC Flight Technologies. Persons not on the Main Campus who wish to view the Daily Crime Log should contact LCC Public Safety at (541) 463-5558 and a copy will be faxed, emailed, or mailed to the person making the inquiry.

A Daily Crime Log is maintained at the LCC Public Safety Office, building 12, 2nd Floor, and is available for inspection by the public at any time the LCC Public Safety Office is open to the public (typically this means 8:00 a.m. to 5:00 p.m., Monday-Friday). The Daily Crime Log contains all crimes reported to LCC Public Safety and includes:

- Date
- Time
- Nature of the incident
- General location
- And the disposition of the incident (if known)

In most cases the incident information will be available in the Daily Crime Log no later than two business days after a crime is reported. There are exceptions to this policy. Daily Crime Log information may be withheld when such information:

Is prohibited by law from disclosure;

Would jeopardize the confidentiality of a victim; Would jeopardize an ongoing investigation or the safety of an individual; Would cause a suspect to flee or evade detection; or would likely result in the destruction of evidence.

Lane Community College Emergency Communication Systems. LCC places the safety of its students, employees and visitors as its highest priority. To keep you informed in emergency situations LCC has developed a comprehensive emergency communication system. The purpose of the system is to keep students, faculty and staff informed about critical campus safety issues. The emergency communication system includes the following methods of communication:

“LCCAlert!” is a text notification system, provided by AlertSense Connect-Ed that allows the college to send emergency text messages to students, faculty and staff through their registered personal cellular devices.

Lane Annunciation is a broadcast system that allows the college to broadcast emergency messages to all buildings on the main campus.

Smart Classroom Alerts exist in several classrooms around campus that are considered “smart classrooms” because they have control panels that control all of the technology in the room including computers, projectors, televisions, DVD players and lights. The control panels in the rooms can display emergency alert information that can be used in conjunction with LCCAlert! messages to make sure that faculty and students in classrooms can be alerted that a LCCAlert! message has been sent.

LCC Homepage Alerts allows the LCC Emergency Management staff to post emergency alerts on the LCC home page from any Internet-connected computer.

E-Mail - LCC has the ability to send mass distribution emails to students, faculty and staff members with www.lanecc.edu email or personal email addresses.

Campus Radio and Local Media – Local media includes the LCC FM radio station (KLCC 89.7) as well as other local radio and television media outlets.

LCC Public Safety Department's goal is to communicate emergency information in many different ways to ensure that the most people receive emergency notifications as quickly as possible.

Anyone with information warranting a timely warning should report the circumstances to LCC Public Safety by phone at (541) 463-5555 or in person at the LCC Public Safety Office in Building 12, 2nd Floor.

Reporting Annual Crime Statistics

The Clery Act. LCC Public Safety is responsible for gathering statistics on criminal activity on and near campus, identifying reportable crimes and delivering reports of this data annually. The Clery Act requires the college to submit crime statistics reports to the U.S. Department of Education and to provide an Annual Security Report to members of the campus community that includes crime statistics for incidents that occur on college property, on adjacent public property and on student organization properties. The Clery Act also requires reports of student disciplinary referrals, and student arrests for drug, alcohol, and weapons offenses. Finally, The Clery Act requires reports of any hate crimes. Lane Community College does not have any off-campus buildings or properties owned or leased by an officially recognized student organization.

The Annual Security Report. The LCC Public Safety Department collects crime statistics each summer for the previous calendar year to be reported in its Annual Security Report. In addition to LCC Public Safety Department records, data for the Annual Security Report is collected from the Office of Academic and Student Affairs, the Human Resources Department, local law enforcement agencies and reports from campus security authorities (See Section 3.3). As this data is statistical only, it does not include the names of any of the individuals involved. When criminal activity occurs outside of the jurisdiction of LCC Public Safety, a local law enforcement agency follows its own procedures to create a police report for each incident. The LCC Public Safety office receives this data, and reviews it to ensure that there are no duplications in reporting

efforts between LCC Public Safety and outside reporting agencies.

When a crime is reported to LCC Public Safety, individual reports may be forwarded to other law enforcement agencies and other areas of Lane Community College and/or other agencies for follow-up. In some cases, involving lesser offenses and students, the report may be forwarded to the Judicial Advisory Team in the office of the Executive Dean of Academic and Student Affairs for adjudication through the campus's student disciplinary referral process. Refer questions or comments regarding crime statistics reports to the LCC Chief Public Safety Officer at (541) 463-5558.

The Annual Security Report is released on October 1st of each year, and includes crime statistics for the preceding three years. The full text of this report can be located on the LCC Public Safety web site at: www.lanec.edu/sites/default/files/psd/clery.pdf.

Hard copies of this report may be picked up at the Public Safety Office in Building 12, 2nd Floor during normal business hours.

Notice of the Annual Security Report. Notice of the availability of the college's Annual Security Report is published each term in the College Catalog, The Community Education Class Schedule, the college's class schedule, which is mailed to all residents in Lane County, Oregon with the exception of Florence residents. In Florence, a campus class schedule is mailed to all residents in the Florence area that includes a notice of the availability of the college's Annual Security report. By October 1st of each

year, all enrolled students and employees receive an email notification regarding the content and availability of the Annual Security Report. The email provides information regarding how to access the report via the Internet and how to request a printed copy of the report. To request a printed copy of this report, contact the LCC Public Safety Office at (541) 463-5558.

The electronic postcard (see below) is distributed via email to:

- ▶ All faculty and staff
- ▶ All students (currently enrolled and those who have applied by October 1st)
- ▶ Prospective students who do not fall into the above category receive the notification as part of an information packet.

This notification is posted in the following locations:
 Human Resources Website (for prospective employees)
 Admissions Website (for prospective students)

The content of the notice is:

“Dear Lane Community College Faculty Member, Staff Member, Student, or Prospective Student:

This report includes statistics for the previous three years concerning reported campus crimes that occurred on campus; in certain off-campus buildings or property owned or controlled by Lane Community College; and on public property within or immediately adjacent to and accessible from the campus. The report also includes institutional policies concerning campus security such as policies regarding alcohol and drug use, crime prevention, the reporting of crimes, sexual assault, and other matters.”

You can obtain a copy of this report by accessing the above website, or by contacting the Lane Community College Public Safety Office at (541) 463-5558 or writing to us at 4000 East 30th Avenue, Eugene, OR 97405.

Campus Access

LCC's Main Campus on 30th Avenue. The main campus is open to the public daily from 6 a.m. to 11 p.m. LCC Public Safety Officers securely lock all entry gates that provide parking lot access at 11:00 p.m. and open the gates at 6:00 a.m. the following morning.

Buildings are open to the public on days classes are in session and other days as posted. Campus buildings are closed to the public during designated holiday periods and other times as posted. Admittance to secure buildings is obtained by a college-issued metal key, electronic access control card or with the assistance of an LCC Public Safety Officer. LCC Public Safety Officers will not admit the general public or students to secured buildings without the supervision of a staff person. Identification will be required unless the person is known to the officer.

The Downtown Campus, Cottage Grove and Florence campuses have separate posted hours. Admittance after hours is obtained with a college-issued key or with staff permission.

2013 marked the first complete year that LCC maintained and operated a residential facility. Access at this facility, Titan Court, is restricted to residents, Titan Court Staff, authorized Lane Community College service staff, and residential guests.

Titan Court access is provided mainly by electronic access control cards and to a much lesser extent, through metal keys.

Facilities Management and Planning is responsible for maintaining all campus property including doors, locks, exterior

lighting, keys, and grounds. LCC Public Safety is responsible for issuing access control cards to campus facilities. All persons on campus are encouraged to report possible safety and security hazards to either LCC Public Safety at (541) 463-5558 or Facilities Management and Planning at (541) 463-5000.

Main Campus Building Access Procedure.

LCC Public Safety has an established procedure for building access that is designed to protect all college buildings, facilities and equipment and to preserve the safety of individuals while on campus. The procedure ensures that college facilities and property are used for authorized purposes and that proper supervision by appropriate staff members is provided. Daily Campus Access. By 8 a.m., Monday through Friday, except days of school closure, most outside doors to the college will be opened for the business day. Faculty and Staff may exclude specific doors from being unlocked by contacting Facilities Management and Planning at (541) 463-5562 or by sending a work order or request to:

<http://www.lanecc.edu/copps/documents/building-access>

The Facilities Department is responsible for unlocking exterior doors that are not included in the access control system, during regular-schedule days Monday through Friday. LCC Public Safety Department is responsible for unlocking scheduled doors on weekends and holidays.

Securing Procedure, Day/Evening. Most college buildings are secured beginning at 5:00 p.m., Monday-Friday.

Evening Programs. During the hours of 6:30 p.m. to 10:30 p.m., only the rooms that have been scheduled for classes or activities on 25-Live (Computer space management program) will be opened. All evening program building/room access must be set up in advance through 25-Live. After-Hours Access. To prevent unsupervised use of facilities (such as labs and classrooms after hours and weekends), LCC Public Safety Officers will not open any department area for student use unless the activity has been scheduled through 25-Live (event management system) and the designated staff supervisor is present. Any persons requesting building access during after-hours or weekends must be referred to the LCC Public Safety Officer on duty.

Summer Schedule. During the summer months only, rooms that have been scheduled for classes or activities on 25-Live will be opened. For those departments that will be open for only a portion of the summer, this should be so noted on 25-Live.

Individual Access Requests. Before a Public Safety Officer admits any staff member to any area of the College, the Public Safety Officer will positively identify the staff member and record this information in the Calls for Service Log. This log information includes the staff member's name, the area and/or building accessed and the purpose of entry. No Public Safety Officer will permit student entry into any department area that is closed or unstaffed unless the student is a college employee who has been granted permission to access an area without a regular faculty or staff member present (i.e., student assistant preparing a classroom) or the time of day is within fifteen (15) minutes of a scheduled event in the space.

Key Procedure. Control of keys is necessary to maintain campus security and safety and to safeguard all College buildings, equipment, and other facilities. The distribution and tracking of keys are the responsibility of Facilities, Management, and Planning. Maintenance of locking devices and the production of keys is the responsibility of the Facilities, Management, and Planning Department. The possession and use of keys are the responsibility of each individual key holder. Typically, department heads, deans and other members of the management team will request and authorize keys for subordinate employees at the College. Requests for keys to desks and other furniture, safes, lockers, special storage units, building service areas or to equipment such as vehicles should be made directly to Facilities Management and Planning.

Supervisor Responsibility. When a staff person retires or terminates employment with the College, the retiring/terminating staff person's immediate supervisor should notify LCC Public Safety prior to the employee's last day of work. The notice should state the day on which the leaving staff person will bring his or her keys to Facilities Management and Planning to turn them in.

Individual Key Users Responsibility. Persons issued College keys should safeguard these keys against loss or theft. If a loss or a theft occurs, it should be reported to LCC Public Safety immediately and Facilities Management and Planning. Any staff person possessing keys that have not been authorized is subject to disciplinary action.

Campus Law Enforcement

LCC Public Safety Officers are the primary security and law enforcement providers on campus. LCC Public Safety Officers are authorized under ORS 341.300 to enforce traffic laws, traffic control and parking, as well as College regulations and rules on college property. LCC Public Safety Officers have authority to enforce the Student Code of Conduct

(<http://www.lanecc.edu/copps/student-code-conduct>) which prohibits violating federal, state or local law on college premises, including drug and alcohol violations and weapons violations. LCC Public Safety Officers may use arrest authority under ORS 133.225. LCC Public Safety Officers may also act under the direction of or pursuant to an agreement with a law enforcement agency such as the Lane County Sheriff's Office or Eugene Police Department (for example, closing public roads or directing traffic on public roads during an emergency).

<http://www.lanecc.edu/psd>

LCC Public Safety's authority covers the geographical boundaries of Lane Community College's properties (including land, structures, parking facilities, and parking lots). Officers may legally request and require driver and vehicle identification and verification of vehicle registration and insurance.

LCC Public Safety has authority for the enforcement and investigation of College Policies and Procedures, where those procedures meet one or more of the following criteria: the alleged act is

concomitantly a violation of local, state or federal law; the alleged act is an "internal matter" where the primary rule violation is listed in COPPs and/or Human Resources, Academic Student Affairs, or another College Administrative area that routinely adjudicates or determines disciplinary outcomes for members of the Lane Community College community. In these cases when the matter is not a violation of law and the administrative area requests assistance, Public Safety will provide support.

Special Note: LCC Public Safety is not a sworn agency and may not unfound any reported crime within its geographical jurisdiction.

LCC Public Safety works in conjunction with other state and local law enforcement agencies in the reporting, investigation and resolution of reported criminal activity. Lane County Sheriff's Deputies respond to incidents on the Main Campus. Eugene, Florence, and Cottage Grove Police Officers respond to incidents at the College locations within their respective jurisdiction.

LCC Public Safety employs students as Public Safety Aides. These students assist LCC Public Safety Officers with parking enforcement, building security and safety escorts.

LCC Public Safety First-Responder Services.

LCC Public Safety Officers deliver first-responder emergency services, patrol

service, and perform a wide range of public safety functions. Criminal offenses are investigated by LCC Public Safety, often in tandem with other agencies such as the Lane County Sheriff's Office, the FBI, Eugene Police Department, and other local, state, and federal agencies. LCC Public Safety has interagency radio communication with several local law enforcement agencies and with the local fire service. LCC Public Safety Officers provide primary response to the following offenses committed on the College's premises: [aggravated assault](#), [forcible rape](#) (all sexual assaults), [murder](#), [robbery](#), [arson](#), [burglary](#), [larceny/theft](#), and [motor vehicle theft](#), simple assault, curfew offenses and loitering, embezzlement, forgery and counterfeiting, disorderly conduct, driving under the influence, drug offenses, fraud, gambling, liquor offenses, offenses against the family, prostitution, runaways, sex offenses, stolen property, vandalism, and weapons offenses. LCC Public Safety Officers will also respond to public fighting, and several other misdemeanors and felonies not represented on this list.

Public Safety, when asked to do so by the Lane County Sheriff's Office, will respond to emergencies in the vicinity of the campus on county lands, until the Lane County Sheriff's Office or Oregon State Police units can respond. At that point, Public Safety will leave or continue to assist depending on the wishes of the responding agency.

LCC Public Safety Enforcement of Student Code of Conduct and College Policies. LCC Public Safety authority also includes the enforcement and investigation of all aspects of the Student Judicial Code of Conduct and other College regulations. When violations are committed by a college student, LCC Public Safety Officers may issue an Order to

Appear to or refers the individual by incident report to the Judicial Advisory division of Office of Student Affairs. LCC Public Safety may also pursue the matter as a criminal offense, or may do both depending on the nature of the violation.

Officers will routinely exercise authority in areas where public safety (where "public" means any person on a LCC campus), maintenance of order, the interests of a peaceful community, or the safety of others are concerned.

LCC Public Safety will exercise authority and responsibility for incident command, scene command, or support staff for disasters, and potential disasters (such as, but not limited to: bomb threats and other terrorist threats).

Lane Community College does not have any recognized off-campus student organizations.

LCC Public Safety Mandatory Reporting

Requirements. LCC Public Safety is a mandatory reporting agency and therefore must report instances of alleged assault or abuse of:

- Children under the age of 18;
- Elderly, 65 and over;
- Adults with developmental disabilities;
- Adults with mental illness;
- Residents in nursing facilities.

Off-Campus Criminal Activity. The Lane County Sheriff's Office (for the Main Campus) and Eugene Police Department (for the Downtown Campus and Flight Aviation Facilities at the Eugene Airport) have primary Law Enforcement jurisdiction in all areas within county or city limits,

respectively. At the Cottage Grove Center and Florence Center, the Cottage Grove Police Department and the Florence Police Department respectively have primary Law Enforcement jurisdiction of those areas within their city limits. The LCC Public Safety Department enjoys a close working

relationship with other law enforcement agencies, utilizing a cooperative team approach with the Lane County Sheriff's Office, Oregon State Police, and local city police departments when violations of federal, state, or local laws arise.

Crime Prevention and Security Awareness

Security Awareness. The LCC Public Safety Department is a community-oriented, public safety agency that practices a community-oriented policing approach to fully engage the campus community. This collaborative process identifies and addresses many community problems.

LCC Public Safety is committed to a problem-solving model that integrates LCC Public Safety services into the learning experience. LCC Public Safety Officers are encouraged to try new and otherwise non-traditional law enforcement methods in working closely with the community they serve.

Persons who feel threatened or frightened by the behavior of any person while on the LCC campus, should contact LCC Public Safety at (541) 463-5558 or in an emergency, (541) 463-5555. If another person is frightened or is threatened by the behavior of another person, individuals may contact LCC Public Safety on that person's behalf. It is the responsibility of each person to contribute to the safety of the entire community by taking action to prevent crime. Campus safety and security is a shared responsibility.

Security Awareness and Crime Prevention information is often distributed to the campus community via the staff newsletter

Lane Weekly, the student newspaper The Torch, and/or the student newsletter Titan Times. Information is also presented through several LCC Public Safety presentations throughout the year and by LCC Public Safety Officers who utilize crime prevention cards to identify and correct unsecure conditions.

Staying Safe on Campus. When crimes occur on campus, the campus community will be informed. It is LCC Public Safety's goal to keep community members informed so that they may take precautions and avoid becoming a crime victim. LCC Public Safety tracks, evaluates, and distributes crime data. For questions or additional information, call at (541) 465-5558 or email lccpublicsafety@lanecc.edu.

Safety Tips.

Stay alert and plan ahead for "What if..."

- Always be aware of your surroundings.
- Use the "buddy system" while out and about. There really is "strength in numbers."
- If possible, do not walk or jog alone after dark. If you go out alone, let someone know where you are going and when you are going to return.
- If you witness something suspicious, call 9-1-1.
- If threatened, attract attention by

making loud noises or by screaming. Use of an LED flashlight or a whistle can also attract attention.

- If you feel threatened, seek out a safe place or a place where there are a lot of people, like a business. Call 9-1-1 immediately.
- Take appropriate steps to secure your personal property. Never leave valuables unattended for any amount of time.
- Never leave valuables in plain view inside your vehicle. Always lock your doors and windows.
- If you use a bicycle, use only a U-Bolt type lock. Steel cable locks can be easily cut in less than 3 seconds.
- Take note of the four (4) emergency blue-light telephone boxes on campus. Do not hesitate to use them when needed.
- If you must walk at night, remember the following:
 - Always carry a fully charged cell phone, with emergency numbers pre-programmed.
 - Do not wear head phones while walking or jogging.
 - Avoid isolated or dark areas.
 - Walk near curbs, away from alleys and doorways.
 - Walk at a brisk pace; be aware of anyone walking behind you.

Crime Prevention Programs. LCC Public Safety services include several crime prevention programs. Programs include:

- ▶ **Orientation to LCC Public Safety Services with Q/A Session.** Officers will share an overview of LCC Public Safety responsibilities, operations, and objectives. Officers will explain how LCC Public Safety differs from the security

and police agencies. They will explain what services LCC Public Safety will provide.

- ▶ **General Crime Prevention.** Officers will present general information on keeping offices, personal belongings and vehicles secure on campus. Officers will discuss typical criminal methods for common crimes, crime on campus, and easy strategies for preventing and discouraging criminal activity.
- ▶ **Violence in the Workplace.** Officers will provide information on violence in the workplace in the United States. They will also share information about escape strategies, de-escalation, collaborative efforts to defuse situations, safety considerations in the workplace, description training, communicating with LCC Public Safety, reporting concerns, and other important aspects of recognizing and responding to escalated or potential violent situations. Note: Participants will be required to role play and practice skills learned.
- ▶ **Personal Safety.** Officers will provide tips and strategies for maximizing personal safety in the class room, work area, in route to your vehicle and in transit home. Officers will share information about Orders for Protection, Temporary Restraining Orders, telephone harassment, threats, and stalking. In addition, Officers will broadly discuss and give context to personal safety incidents that have occurred on campus.
- ▶ **Preparing for an Active Shooter/Violent Actor.** Officers will discuss recommended procedures and

individual roles in response to an Active Shooter on campus. Safe rooms, evacuation routes, finding shelter decisions, various characteristics and motivations of Active Shooters, and the role of LCC Public Safety will be discussed. Departments may collaborate with LCC Public Safety to produce a department response plan. Note: This orientation is designed to raise awareness. It is the responsibility of each staff to develop and practice their own unique response plan.

- ▶ **Sexual Assault Prevention and Response.** Officers will present information on sexual assault in the United States. Topics include: Date rape, acquaintance-rape, date-rape drugs, stalking, and what to do if an individual is assaulted.
(<http://www.lanecc.edu/psd/crime-prevention-programs-and-activities>)
- ▶ **Self Defense.** Officers will discuss ways to escape from an aggressor and (failing that) a few basic moves to disengage, kick, strike, and summon assistance. Session will require all participants to practice a few select moves until proficiency is accomplished.
- ▶ **Security Survey.** This service is by appointment. Officers will conduct a survey of employee work areas, building interiors and exteriors. A report will be generated with specific recommendations.

Programs are free and are both scheduled events as well as delivered on request. Programs are offered to students, faculty, staff, and student organizations.

Information about LCC Public Safety programs is found at: www.lanecc.edu/psd/

In addition, LCC Public Safety provides free of charge to students, staff, and faculty, safety escorts and battery jump starter units. Emergency red phones are distributed through buildings and blue phones are located in parking lots L, N, the LTD bus station, and outside of building 3.

Domestic Violence Prevention and Response. Officers provide instruction to prepare for and respond to domestic violence incidents. This training includes best practices for escape, countering stalking, seeking help, and local referrals. Information on the current issues and concerns about preparing and preventing domestic violence is also offered.

Crime Prevention Tips

Office Security. Personal safety and the protection of personal and campus property starts with a few simple steps: Keep purses, wallets, or other valuables on your person at all times or lock them in a drawer or closet.

Never leave your keys lying around. Cash left on your desk or in an unlocked drawer is a great temptation to thieves. Identify the authority, authorization, or sponsor of persons asking for confidential information or from delivery or repair people who want to enter a restricted area.

Key Control

<https://inside.lanecc.edu/copps/documents/building-keys-and-access-cards>

Do not leave keys or access control cards unattended or in unsecure areas such as: on

top of desks, inside drawers, or within locks or keyholes.

Do not loan LCC assigned keys or access control cards to others.

If keys or access control cards are lost or stolen notify LCC Public Safety and Facilities Management and Planning immediately.

Property Protection. Theft is always a concern on campus. To prevent theft: Engrave personal property, such as a coffee pot, radio, or calculator, with your Driver's License number, (i.e.: OR123456DL.) Keep a written record of all valuables, including descriptions and serial numbers.

Bicycle Theft.

Lock your bike! It only takes a moment to steal an unlocked bicycle.

U-lock style bike locks are best. Cables and padlocks can be easily cut.

Register your bicycle with LCC Public Safety. This is a free theft prevention and recovery program. Lock bicycle frames to bike racks. Remember, front wheels can be easily removed.

Personal Safety. The most effective deterrence against crime is an aware and alert public. These additional precautions will assist individuals with personal safety. Employees who work late should arrange to leave with a co-worker or call LCC Public Safety for a safety escort. Lock office doors and windows if working late alone.

Refrain from getting in elevators with people who look out of place or behave in a strange or threatening way. Always immediately report suspicious people or conditions to LCC Public Safety.

Individuals, who believe they are being followed, should go to an office where there are other people and contact LCC Public Safety.

Vary walking routes to home, transit, and parking areas.

Be alert to suspicious persons or vehicles. Carry a fully charged cell phone with emergency numbers preprogrammed into the device and ready to dial.

Parking Lot Safety

Keep motor vehicles locked.

Keep keys in your hand when you return to your vehicle. Check the interior before entering your car.

Report suspicious persons lurking in the parking lot to LCC Public Safety.

Remove all valuables from your car. Leave them at home or lock them in the trunk.

If you work late, ask a co-worker to escort you to the parking lot or call LCC Public Safety for a safety escort.

Feel Threatened?

Stay calm. Pay attention to your instincts and feelings about the perceived threat. Decide what to do in various situations before they occur. Try role-playing with a friend.

If you are confronted by someone who wants property, give it to them.

Try to get an accurate description of the assailant and the assailant's vehicle. If a vehicle is involved, get the license number and call LCC Public Safety.

Incident Reporting

(<http://www.lanecc.edu/copps/documents/crime-reporting>)

Report all crimes, no matter how minor they may seem. Notify LCC Public Safety of all suspicious persons or activity.

If you notice any suspicious people or activity, notify LCC Public Safety immediately.

Post 9-1-1 and LCC Public Safety emergency phone number (541) 463-5555 near your phone.

Report any broken or flickering lights, dimly lit corridors, doors that don't lock properly,

etc. to Facilities Management and Planning at (541) 463-5000.

For additional information regarding LCC Public Safety's crime reporting policies visit <http://www.lanecc.edu/copps/documents/crime-reporting>.

However, according to statute, marijuana cannot be ingested on campus even with a medical marijuana card. Glue and thinners may be used in class-related lab environments and in facilities construction and maintenance.

Enforcement of Drug Laws. LCC Public Safety will refer all student alcohol or illegal substance violations of college policy or federal, state and local law to the Executive Dean for Student Affairs for judicial review. In addition, LCC Public Safety may also refer the matter to another local law enforcement agency for investigation and prosecution. For more information go to: <https://www.lanecc.edu/board/policies/bp420> and to the Student Code of Conduct at <http://www.lanecc.edu/copps/student-code-conduct>.

Drug and Alcohol Education Programs. Lane Community College maintains drug and alcohol abuse educational programs in

compliance with Section 120(a) of the HEA. A description of these programs may be found at:

<http://www.lanecc.edu/copps/student-statement-prevention>.

Substance Abuse Prevention Policy

Lane distributes a Substance Abuse Prevention statement annually to both students and staff in compliance with the Drug-Free Schools and Communities Act Amendments of 1989.

Student Statement: The Student Statement is published in the College catalog and in each class schedule. The master electronic copy resides in Institutional Research, Assessment and Planning. The office of Substance Abuse Prevention is responsible for updating that copy.

Staff Statement: The Staff Statement is published and distributed by the Substance Abuse Prevention office. The original

electronic copy resides in the Substance Abuse Prevention office.

Voluntary Counseling. Counseling services are available on a drop-in basis during open hours at the College's Counseling Department in Building 1. What is discussed with a counselor will remain private and confidential unless: (a) the counselor is given permission to share it with others; (b) there is potential danger to self or others; (c) it involves child or elder abuse; or (d) disclosure is requested by court order.

As a matter of policy, counselors are encouraged to inform the person being counseled of the procedures to report crimes on a voluntary basis for inclusion in the college's annual crime statistics.

Sexual Assault, Domestic Violence, Dating Violence, Stalking Information, Prevention and Response Policy

Title IX

Title IX is a federal law prohibiting discrimination on the basis of sex in education. Title IX addresses sexual violence and requires schools to proactively address, remedy, and eliminate sexual violence on their campuses. You are protected under Title IX, regardless of your gender and how you identify. For more information on your Title IX Rights please visit,

<https://www2.ed.gov/about/offices/list/ocr/docs/know-rights-201404-title-ix.pdf>.

Definitions:

Sexual Assault means an offense that meets the definition of Rape, Fondling, Incest or Statutory Rape as used in the FBI's UCR program and included in Appendix A of 34 CFR Part 668. In specific: Penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim. This definition also includes instances in which the victim is incapable of giving consent because of temporary or permanent mental or physical incapacity (including due to the influence of drugs or alcohol) or because of age. Physical resistance is not required on the part of the victim to demonstrate lack of consent.

Sexual assault also includes: Any sexual act directed against another person, without the consent of the victim, including instances where the victim is incapable of giving consent.

Fondling is the touching of the private body parts of another person for the purpose of sexual gratification, without the consent of

the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity.

Incest is when sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

Statutory Rape is defined as sexual intercourse with a person who is under the statutory age of consent.

Domestic Violence includes asserted violent misdemeanor and felony offenses committed by the victim's current or former spouse, current or former cohabitant, person similarly situated under domestic or family violence law, or anyone else protected under domestic or family violence law.

Dating Violence means violence by a person who has been in a romantic or intimate relationship with the victim. Whether there was such relationship will be gauged by its length, type, and frequency of interaction.

Stalking is described as a course of conduct directed at a specific person that would cause a reasonable person to fear for her, his, or other's safety, or to suffer substantial emotional distress.

Bystander is a person who is present but not taking part in a situation or event. Lane Community College supports and encourages bystanders to recognize situations of potential harm, understand

conditions that facilitate violence and take actions to intervene, and decrease bystander inaction.

Sexual assault prevention training and domestic violence prevention training includes information from multiple sources at the College. The following information is provided regarding the aforementioned trainings:

Lane Community College promotes awareness of dating violence, domestic violence, sexual assault, and stalking, by making presentations about these topics at in-services, by distributing posters and brochures (Titan Awareness Safety Knowledge or T.A.S.K. information), as well as educational programs specifically for students throughout the year. For more information on prevention and training of sexual assault and domestic violence please visit the following websites;

<https://www.lanecollege.edu/get-support/health-wellness/sexual-respect/sexual-respect-resources>
<https://www.lanecollege.edu/psd/sexual-assault-awareness-and-prevention>
<https://www.lanecollege.edu/psd/domestic-violence>

The College prohibits all violations of law, including but not limited to: sexual assault, dating violence, stalking, and domestic violence.

Defining Consent

In reviewing possible violations of sexual misconduct, the College considers consent as the voluntary, informed, un-coerced agreement through words and actions freely given, which a reasonable person would interpret as a willingness to participate in mutually agreed-upon sexual acts. Consensual sexual activity happens

when each partner willingly and affirmatively chooses to participate.

Indications that consent is not present include: when physical force is used or there is a reasonable belief of the threat of physical force, when duress is present, when one person overcomes the physical limitations of another person, and when a person is incapable of making an intentional decision to participate in a sexual act, which could include instances in which the person is in a state of incapacitation.

Important points regarding consent include:

- ▶ Consent to one act does not constitute consent to another act.
- ▶ Consent on a prior occasion does not constitute consent on a subsequent occasion.
- ▶ The existence of a prior or current relationship does not, in itself, constitute consent.
- ▶ Consent can be withdrawn or modified at any time.
- ▶ Consent is not implicit in a person's manner of dress.
- ▶ Accepting a meal, a gift, or an invitation for a date does not imply or constitute consent.
- ▶ Silence, passivity, or lack of resistance does not necessarily constitute consent.
- ▶ Initiation by someone who a reasonable person knows or should have known to be deemed incapacitated is not consent.

In the context of this procedure, incapacitation is the state in which a person's perception or judgment is so impaired that they lack the cognitive capacity to make or act on conscious

decisions. The use of drugs or alcohol can cause incapacitation. An individual who is incapacitated is unable to consent to a sexual activity. Engaging in sexual activity with an individual who is incapacitated (and therefore unable to consent), where a person knows or ought reasonably to have understood the individual is incapacitated, constitutes sexual misconduct.

NOTE: Oregon state law considers persons under the age of 18 to be "incapable of consenting to a sexual act" (ORS §163.315) and states that if lack of consent is solely a result of the age of the victim, it is a defense to certain crimes that the actor was less than three years older than the victim at the time of the alleged offense (ORS §163.345).

Recommendations and Information for Survivors and Responders.

Reporting Sexual Assault, Dating Violence, Domestic Violence, or Stalking Any student or staff member who feels they are a victim of any form of sexual assault is strongly encouraged to report this immediately to the Public Safety Department Building 12, 2nd Floor; (541) 463-5558, Lane County Sheriff's Department, or other appropriate law enforcement agency. Public Safety will assist victims in contacting a specific law enforcement agency and will provide security to victims while awaiting law enforcement assistance. Non-emergency reports must be made within 24 hours. Non-emergency numbers of local police departments are given here for convenience:

- ▶ Eugene Police Department: 541-682-5111
- ▶ Florence Police Department: 541-997-3515
- ▶ Cottage Grove Police Dept.: 541-942-9145
- ▶ Lane County Sheriff: 541-682-3775

In addition to filing a complaint with a law enforcement agency, victims of all forms of sexual assault under this policy may contact the College's Title IX Coordinator, Shane Turner at his e-mail turnerms@lanecc.edu or (541) 463-5115, or schedule a meeting in person in Building 3, Room 218C. Emergency Response

Emergency Response Plan

The college's emergency plan is available to college employees ("E-Plan"). The E-Plan provides detailed operational procedures and protocols for the following emergencies: Active Shooter, Aircraft Incidents, Bomb Threat, Fire or Explosion,

Hazardous Material Accidents, Natural Disasters, Severe Weather, and Utility Failures. College response to other types of emergencies, including but not limited to the following are also detailed in the online E-Plan: Criminal Activities, Physical Injuries and Medical Emergencies, and

Psychological and Emotional Trauma. The Lane Community College E-Plan includes a separate Employee Emergency Manual that provides quick reference information and is distributed to all employees; and a separate Emergency Management Manual (Red Book) for the Emergency Planning Team (EPT), containing more detailed procedures for their use. The College conducts “practice” evacuation procedures monthly when possible but not less than once per quarter term.

Evacuation Drills and Shelter in Place

Evacuation drills are held a minimum of 4 times per year on each campus. The drills are announced to community members, planned, and monitored by Public Safety. Drill documentation is maintained by Public Safety. Documentation includes a critique on the effectiveness of the drill, whether it was announced or unannounced, problems for correction, and the date and time of each evacuation activity. Typically, such drills are conducted during fire drills.

The Public Safety Department regularly conducts training and exercises that informs campus members the procedures for sheltering in place during an emergent situation.

Emergency Contact Numbers. For any emergency, use the following contact numbers from a **campus telephone**. If calling from a telephone off-campus, include (541) 463 before dialing the four-digit number:

Police, Fire, Medical 911 Emergencies
5555

Counseling / Consultation 8888

Public Safety Department 5558

Facilities Management 5000

After Hours Emergencies 5555

Campus Operator 0

Emergency Planning Team. The College has an ongoing Emergency Planning Team (“EPT”) that is comprised of the following key campus personnel:

- Director of Public Safety
- Public Safety Officers on duty
- Vice President of Human Resources
- Vice President of College Services
- Cyber Security Director
- Public Information Officer
- Facilities Management and Planning
- Assistant to the Vice President of College Services
- Government Relations
- Risk Management Specialist

When a potential or actual emergency is identified, students or staff should immediately notify the Director of Emergency Preparedness or LCC Public Safety Director at (541) 463-5555. The Emergency Director consults with the Emergency Planning Team (EPT) to determine the nature and extent of any emergency. If it is determined that an emergency exists, the Emergency Planning Team convenes at the pre-determined location listed in the Red Book. The EPT then decides on an appropriate course of action, the content of a public statement and appropriate actions given the nature of the situation.

Evacuation. Physical emergencies may warrant evacuation of a building or campus. A decision to evacuate will be communicated to all affected individuals. The methods of communication will depend

on the event, potential harm to people and property, and the urgency required. Specific evacuation procedures have been developed for physically impaired people and their property. These procedures are governed, in part by the nature of the emergency and the urgency required.

Decision Making for Evacuation.

The Emergency Planning Team (EPT) will assess the event and determine if evacuation of all or part of the campus is indicated. If evacuation is deemed necessary, LCC Public Safety and Facilities Management & Planning personnel will coordinate this activity and request appropriate local government agency support as necessary. Additional information about Emergency Planning and Response found at:

<http://www.lanec.edu/epal>

Communications for Evacuations.

The LCC Director of Public Safety or designee will, when circumstances warrant: Initiate evacuation of a building, buildings or the entire campus upon direction of the EPT; Ensure all students, employees and visitors are safely evacuated from the affected area(s) including rapid response to individuals with physical impairment; and notify Facilities, Management, and Planning and local agencies to provide support as necessary.

To Ensure the Safety of the Community During an Evacuation, Take the Following Steps:

- ▶ Do not use building elevators in case of fire or earthquake, use nearest stairway.
- ▶ Walk, do not run, to the nearest exit.
- ▶ Leave the building and move a safe distance away, preferably to the nearest

parking lot. Do not obstruct emergency personnel or vehicles.

- ▶ Take purses and backpacks when evacuating. Close doors but do not lock them.
- ▶ You may return to a building when you are told it is safe to do so by LCC Public Safety, Facilities, Management, and Planning, Executive Team, other responding emergency management personnel, or when the alarm stops sounding.
- ▶ When Evacuation of Persons with Disabilities is Necessary, Staff are Instructed to:
 - ▶ Remain calm and reassuring;
 - ▶ Give assistance to persons with disabilities. Ask them what their needs are;
 - ▶ Request assistance from those near you, if needed;
 - ▶ Exit building if possible; if not, proceed to the nearest evacuation area or move toward the nearest marked exit (these are evacuation areas). Do not use the elevator in case of fire or emergencies that might affect electricity;
 - ▶ A wheelchair occupant or person with disability may use the building elevators only if it can be done safely;
 - ▶ A wheelchair occupant or person with disabilities should remain in the evacuation area until rescue personnel arrive. All evacuation areas will be checked first by emergency personnel.

A cursory inspection of the resident's living area for the sole purpose of ensuring that the student is not ill or deceased on the premises (LCC PSD and Housing Staff).

Subsequent detailed inspection of premises by law enforcement (LCC PSD and EPD) in accordance with ORS (Oregon Revised Statutes).

Interview of persons that live in proximity to the missing person; friends, witnesses, and/or any person who may have information (LCC PSD and/or EPD).

Violence Against Women Act

Reporting and Compliance Requirements

VAWA's SaVE Act provision imposes new reporting requirements:

The Clery Act requires annual reporting of statistics for various criminal offenses, including forcible and non-forcible sex offenses and aggravated assault. VAWA's SaVE Act provision adds domestic violence, dating violence, and stalking to the categories that, if the incident was reported to a campus security authority or local police agency, must be reported under Clery. Parsed for clarity, these offenses are defined:

Domestic violence includes asserted violent misdemeanor and felony offenses committed by the victim's current or former spouse, current or former cohabitant, person similarly situated under domestic or family violence law, or anyone else protected under domestic or family violence law.

Sexual Assault, means an offense that meets the definition of Rape, Fondling, Incest or Statutory Rape as used in the FBI's UCR program and included in Appendix A of 34 CFR Part 668. In specific: Penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim. This definition includes any gender of victim or perpetrator. Sexual penetration means

the penetration, no matter how slight, of the vagina or anus with any body part or object, or oral penetration by a sex organ of another person. This definition also includes instances in which the victim is incapable of giving consent because of temporary or permanent mental or physical incapacity (including due to the influence of drugs or alcohol) or because of age. Physical resistance is not required on the part of the victim to demonstrate lack of consent.

Sexual Assault also includes: Any sexual act directed against another person, without the consent of the victim, including instances where the victim is incapable of giving consent.

Fondling is the touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim, including instances where the victim is incapable of giving consent because of his/her age or because of his/her temporary or permanent mental incapacity.

Incest is defined as sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law.

Statutory Rape is Sexual intercourse with a person who is under the statutory age of consent.

Dating violence means violence by a person who has been in a romantic or intimate relationship with the victim. Whether there was such relationship will be gauged by its length, type, and frequency of interaction.

Stalking means a course of conduct directed at a specific person that would cause a reasonable person to fear for her, his, or other's safety, or to suffer substantial emotional distress.

All sexual assault prevention training and domestic violence prevention training includes:

A statement that the institution prohibits those offenses.

The definition of those offenses in the applicable jurisdiction.

The definition of consent, with reference to sexual offenses, in the applicable jurisdiction.

"Safe and positive" options for bystander intervention an individual may take to "prevent harm or intervene" in risky situation.

Recognition of signs of abusive behavior and how to avoid potential attacks.

Ongoing prevention and awareness campaigns for students and faculty on all of the above.
