2023-2024 CHILD CARE/DEPENDENT CARE EXPENSES

If you pay child or dependent care expenses for the time you are engaged in educational related activities (attending class, commute time, and study time), we may be able to increase your cost of attendance for these expenses.

By submitting this form, you are requesting an increase in your Student Budget and therefore, an increase in your Direct Stafford Student loans (up to the maximum annual loan limits). This request will not increase your eligibility for grants. If you wish to be considered for the unsubsidized loan and your offer of financial aid does not include the unsubsidized loan, you must complete and submit the Unsubsidized Stafford Loan Request form (found at [lanecc.edu/finaid/forms](https://www.lanecc.edu/finaid/forms)) and attach it to this request.

For an independent student, the Direct Stafford student loan annual limits are:

- \$9,500 (of which a maximum of \$3,500 can be subsidized loan) - if you are in the first year of your program or enrolled in a one-year program.
- \$10,500 (of which a maximum of \$4,500 can be subsidized loan) - if you are in the second year of a two-year program.

Instructions:

1. The student requesting the budget increase must complete and sign Section I
2. The childcare provider must complete and sign Section II
3. Return the second page of this form by Digital Drop Box - <https://www.lanecc.edu/financialaid/document-intake-form>.

IMPORTANT

- *Incomplete forms will not be processed. You will be required to submit a new form in its entirety.*
- *If the amount of child/dependent care expenses you pay is higher than community standards, the Financial Aid Office will add childcare to your Student Budget at a lower amount than you are paying.*
- *This request does not guarantee an increase in loans. There are many factors taken into consideration before increasing loan debt.*
