**2023 - 2024****Pell Grant Payment Chart**

---

Your financial aid offer letter most likely indicates what your Pell Grant will be if you attend full time. However, you are not required to attend full time to receive financial aid. The Pell Grant may be available at all enrollment levels depending on your Expected Family Contribution (EFC). To find out what your Pell Grant would be reduced to if you enroll in fewer than 12 credits, follow these instructions:

1. Login to your myLane account
  - a. Click the myFinances tab, then Financial Aid Status
  - b. Click Financial Aid Offers Information, then Offer By Aid Year and select appropriate Aid Year
  - c. Click the Award Overview tab. Locate 'Expected Family Contribution (EFC)'. This is your EFC.
2. Go to page two of this document. In the column titled, 'EFC Range', find your EFC.
3. To determine what your Pell Grant will be reduced to for each enrollment level, follow the chart across.

---

**YEAR-ROUND PELL GRANTS** – Beginning with the 2017-2018 academic year, you may now receive Federal Pell Grant funds for up to 150% of your Pell Grant Scheduled Offer in an academic year.

To be eligible for the additional Pell Grant funds, you must:

- Meet all general eligibility requirements
- Maintain financial aid Satisfactory Academic Progress (SAP) Standards
- Be enrolled at least half-time in the payment period for which you receive the additional Pell Grant funds in excess of 100% of your Pell Grant Scheduled Offer. Be aware that a lifetime maximum limit of 600% applies.

---

**IMPORTANT:**

If you received aid at another college, or you are close to the lifetime maximum limit of 600%, you may not receive the full amount of the 'Term Offer' and/or the 'Maximum Annual Offer'. In addition, if your EFC changes, your Pell Grant eligibility could change.

The offers provided on the attached chart are estimates only and the amount displayed is not a guarantee of the amount you will receive. Note: The 'Term Offer' amounts listed on this chart can fluctuate by \$1 due to rounding.
