LANE COMMUNITY COLLEGE
FOUNDATION

2023 - 2024

ANNUAL REPORT

A LASTING,
LOCAL LANE

LEARN LOCAL, WORK LOCAL.

A message from Lane Community College President, Stephanie Bulger

This fall, our campus is alive with renewed energy and excitement, fueled by increased enrollment and incredible new opportunities for our students. If you haven't already, I encourage you to take a tour of our two impressive new buildings. The **Health Professions building**, home to our dental, EMT/paramedicine, and medical assistant programs, and the **Industry and Trades Education Center**, dedicated to manufacturing, unmanned aircraft systems, construction, and apprenticeship programs, are opening this academic year. These transformative spaces were made possible by the bond approved by voters in 2020, and we look forward to welcoming you at the grand openings!

In addition to these wonderful developments, we are thrilled to welcome the first cohort in our **bachelor's degree program for applied business management**, one of three baccalaureate programs at a community college in Oregon. This program, along with our expanding course offerings, demonstrates our commitment to innovation, making higher education both accessible and affordable right here in Lane County. As enrollment rises, we are also seeing many new faces on campus.

For many of these students, scholarships funded by **you** — our dedicated Foundation donors — are critical to their success. Whether through contributions to programs, capital projects, or scholarships, or through your time and advocacy, your support is vital to the future of our students and our community. Thank you for your generosity, your belief in our mission, and for being part of a community that invests in the success of our neighbors, employees, children, and grandchildren.

Together, we are building a brighter future for everyone.

A handwritten signature in black ink that reads "Stephanie".

— Dr. Stephanie Bulger, LCC President

A message from the Executive Director, Wendy Jett

It's a new school year, and we're changing things up! Many of our donors normally receive a large annual report publication in the spring — which includes donor lists, financial statements from our previous fiscal year, and stories of our students and donors. In an effort to mirror our actual fiscal year end date (June 30) and to share more stories with an even wider audience, we are “deconstructing” that large report.

In this first segment, we are providing you with our most recent audited financials for the year ending June 30, 2024 and we are honoring those donors who helped us achieve that amazing success! Throughout the rest of this year, you will receive additional short publications with student stories that reflect the amazing resilience, perseverance, and success of our students — stories that could only be possible with the support of donors like you.

We are so pleased to be able to share these outstanding students with a larger audience, and to do so through both printed and electronic media. We welcome your feedback on these things as we proceed, and we are always looking for more effective ways to share these stories widely. Thank you for everything you have done.

Here's to another great year!

A handwritten signature in black ink that reads "Wendy".

— Wendy Jett, Executive Director

“THOSE WHO INSPIRE” HONOREES

INDIVIDUAL
HONOREES

Mike & Cathy Stickel

Mike and Cathy have been supporters of Lane Community College since 2014, when Mike joined the Foundation Board. Mike served on the executive committee and finance committee for many years, and also as Board President. Mike and Cathy began sponsoring our fall Celebration in 2020 and they have remained significant sponsors. When not supporting the event, they give to Shining Star scholarships and other programs, and Mike has a passion for getting local businesses involved with the College and the Foundation. When not working on philanthropy and growing the local workforce, Mike, Cathy, and their springer spaniel, Casey, spend time at their home up the McKenzie where they enjoy the wildlife that visit their property throughout the year.

Slocum Center for Orthopedics & Sports Medicine

Slocum began their relationship with the Foundation in 2009 with a major gift to the Opening Doors Unrestricted Fund. In the years that followed, Slocum established their own scholarship endowment, additional annual scholarships for the Medical Assistant program, established in memory of Dr. Stanley James, and sponsored our fall fundraiser. We enjoyed honoring CEO Todd Salnas and another instrumental Foundation donor, Dr. Brian Jewett, as representatives of Slocum at this year’s President’s Circle dinner.

CORPORATE
AWARDEE

AWARD OF
SPECIAL
RECOGNITION

Beth Landy

Beth officially retired from the LCC Career and Counseling Center this year. Beth’s participation in the Foundation ranges from her personal donations as a President’s Circle member and Legacy Society member, participation in the Employee Giving Campaign, volunteering at the fall fundraiser, attending meetings with donors, and providing a bridge for our students to scholarships. During scholarship season, Beth was in constant contact with the Foundation ensuring that students had the information they needed, and advocating for more accessible and efficient processes. We know that even in retirement, Beth will certainly continue to give her time back to our community.

LEGACY SOCIETY

Legacy Society members have made a special investment in the future of the college. The following individuals have informed us of bequests, policies, trusts and other planned gifts to the Foundation. Through these gifts, they will continue to transform lives beyond their lifetimes.

Thank you for your commitment to our future.

We welcome estate gifts and other planned gifts that will be realized after the lifetime of our donors. Planned giving complements your family priorities and there are options for donors at all income levels. These gifts have a large impact on Lane and our students and can involve a variety of assets. **Your planned gift will have a lasting impact beyond your lifetime.**

Planned gifts may include bequests and other estate gifts, charitable trusts, charitable annuities, life insurance or other modes of giving. We work extensively with planned gifts and would be happy to discuss options with you or with your representative.

We strongly encourage donors to seek independent legal and financial counsel about estate planning.

For those wishing to designate the LCC Foundation as the beneficiary in a will or other instrument, please reference: Lane Community College Foundation, EIN: 23-7113266.

Legal and Tax Information

Our official corporate name is Lane Community College Foundation. Our Tax ID is 23-7113266. This name and ID should be used in all legal documents. Gifts to the Lane Community College Foundation qualify as charitable contributions to an IRS 501(c)(3) organization. Although every effort has been made to ensure accuracy, please feel free to call us at 541.463.5538 with any questions or comments.

HERE'S TO ANOTHER GREAT YEAR!

Thank you for your support that transforms lives and
secures tomorrow's workforce right here in Lane County.
